

## Flute Supply List

The instrument and supplies listed below represent what we believe to be the most appropriate equipment for a beginning student. When compiling this list, we do consider the cost to quality ratio. There is nothing more damaging to a student's band experience and growth than an instrument that is of low quality. Therefore, instruments outside of the recommended brand and model must be approved by a band director.

### Instrument

Yamaha 282S, 382S (285S, 385S); All Flutes should have an "off-set" G

### Supplies

- Flute cleaning rod
- silk swab
- polishing cloth
- Bo-Pep flute thumb saddle
- KORC 70TM tuner/metronome and microphone
- "Accent on Achievement" flute book
- Folding music stand

## Where do I get an instrument and supplies?

- Bell's Music Shop ([www.bellsmusicshop.com](http://www.bellsmusicshop.com))
  - 13325 US Hwy 287, Fort Worth, Tx. 76179
- Music & Arts
  - 2301 Porter Creek Dr Suite 219, Fort Worth 76177
- Sweetwater ([www.sweetwater.com](http://www.sweetwater.com))

## What brands to avoid?

Brands that can be found on websites for large retail stores for cheap might appear to be great deals, but these instruments tend to be poorly made and break easily. In general, instruments that retail for less than \$1,000 fall into this category, which is why we recommend renting from the reputable dealers listed above. If it looks too good to be true, it probably is.

## When do I need an instrument?

Please order your pack by June 1st to get it delivered in time for the school year! Students should have their instrument and supplies for the first day of school. If you set up a rental with Bell's Music Shop, these will be delivered to the school during the summer.

### **Additional items not from a music store:**

- Binder: black, 1 inch, 3 ring
- Pencil Pouch
- Pencils
- 5-Tab Dividers
- AAA Batteries (for tuner)

In Azle, we are proud to offer a professional musician on each instrument to work one on one with students to help maximize their potential. Private lessons are an additional monthly, but well worth the investment. Spots will fill up quickly, so sign up now to avoid being placed on a wait list.

## When do I need an instrument?

Please order your pack by June 1st to get it delivered in time for the school year! Students should have their instrument and supplies for the first day of school!

In addition to the above implements, it is highly recommended that all beginning students rent a practice marimba (a quality at-home practice instrument used through sixth grade and into high school.) You may wish to get on a waitlist but **DO NOT BUY THIS NOW**. More information about the marimba rentals will be sent home later in the school year.

### Additional items not from a music store:

- Binder: black, 1 inch, 3 ring
- Pencil Pouch
- Pencils
- 5-Tab Dividers
- Duffle or a rolling bag

In Azle, we are proud to offer a professional musician on each instrument to work one on one with students to help maximize their potential. Private lessons are an additional monthly, but well worth the investment. Spots will fill up quickly, so sign up now to avoid being placed on a wait list.
